

# Build the Change Workshop: Scratch Sharing Sheet

Your name: \_\_\_\_\_ Project title: \_\_\_\_\_

<p><b>Was there a building or space in your community that you were inspired to redesign? If so:</b></p> <ul style="list-style-type: none"> <li>• What did you change from the original design to make it more accessible for all?</li> <li>• How did you make it more energy efficient?</li> <li>• How is it more nature friendly and less harmful to the environment?</li> </ul> <p><b>Or is this a new building or space you'd want to create in your community?</b></p>	
<p><b>What did you like about creating this project? How were you able to enhance your project by bringing it into Scratch?</b></p>	
<p><b>What challenges came up for you? How did you get unstuck when you faced challenges?</b></p>	

<p><b>If I had two more days, I would add...</b></p>	
<p><b>What is something you are looking for feedback on?</b></p>	

## Peer Feedback

<p><b>Red: What is something that does not work or could be improved?</b></p>	<p><b>Yellow: What is something that is confusing or could be done differently?</b></p>	<p><b>Green: What is something that works well or you really like about the project?</b></p>
