

## 2024 Application Communications Toolkit and Factsheet

Thank you for spreading the word about the SEC and helping us recruit some amazing organizations for the 2024-26 Cohort! In this document, you'll find some materials to help us spread the word, as well as some key facts about the SEC and the application process.

### Key Links

SEC landing page: <https://sip.scratch.mit.edu/sec/>

Application: <https://www.surveymonkey.com/r/N7QV5GS>

### Important Dates

Applications open: 01/03/24 — Applications close: 03/15/24

### Social Posts to Spread the Word

#### **Tweet (feel free to remix!)**

Applications are open for the @scratch Education Collaborative (SEC), a global community of practice focused on equitable creative coding opportunities. Learn more about the SEC and how to apply here: [scratch.mit.edu/sec](https://scratch.mit.edu/sec)

#### **LinkedIn post (feel free to remix!)**

Are you a member of a nonprofit organization, public school, college, or other government entity using Scratch to reach young learners? The Scratch Foundation has opened applications for the Scratch Education Collaborative (SEC), a global community of practice focused on equitable creative coding opportunities.

Accepted organizations will engage in a two-year, collaborative cohort experience to strengthen their organization's commitment to, and implementation of, equitable creative coding. Learn more about the SEC's vision and how to apply here: [scratch.mit.edu/sec](https://scratch.mit.edu/sec)

**Click here to download SEC's logo:** [Download PNG](#) / [Download SVG](#)

**For more information about the SEC, benefits for participating in the program, and how to apply, check out the [SEC Information flyer](#).**

*Application Process Information* *SEC Information sheet.*

- Applicants can access the application by visiting [www.Scratch.mit.edu/sec](https://www.Scratch.mit.edu/sec). Applications **open January 3, 2024 and close March 15, 2024**
- Applications include short answer questions and opportunities to upload documents to share more about your organization's creative coding programs and activities
- Organizations that move forward from the initial application will be invited to complete a synchronous, virtual interview with the Scratch Foundation team before final decisions are made

#### **Who can I contact for questions?**

Please email [programs@scratch.mit.edu](mailto:programs@scratch.mit.edu) we look forward to hearing from you!
